

# BUILDING BRAND YOU

What's your personal brand? You have one whether you know it or not!

## Join us to learn:

- How powerful a brand is (good or bad)
- How to leverage your passions and gifts
- Brand pitfalls and how to overcome them
- Strategies to build a fulfilling career and leave a positive impact on those around you

We don't often take time to think about or work on our career. Spend some time working on your brand to set yourself up for success.

Highly interactive with tangible individual action plans by the end of session. Frequently linked to high potential programs, employee resource groups, leadership development programs, and recent hires / promotions.
