

LEAD^x

Grow eXponentially. Lead eXceptionally.

Target Audience: Leaders of People

Building new habits that last a leader's lifetime at work and home

Learning objectives:

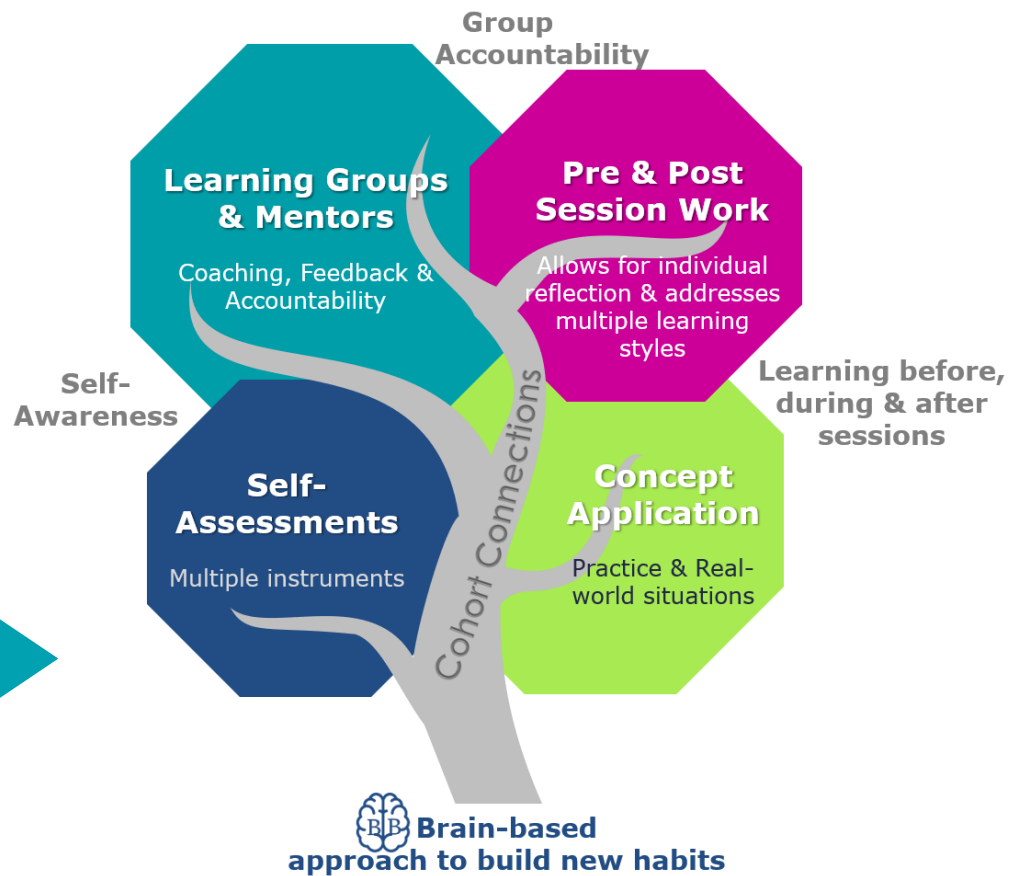

- Taking important steps to be your best self (mentally, physically, socially) so you can be a strong leader
- Develop emotional intelligence and a growth mindset to support a learning organization
- Understanding your leadership style and how to engage others with similar and different styles
- Engage employees with trust and authenticity
- Develop skills to develop employees through goal setting, development planning, coaching and feedback
- Create an inclusive environment where employees thrive
- Build an effective team and bench strength that meets personal and organizational goals
- Leading change that makes a long-term impact
- Facilitating team discussions and engaging others with stories

COHORTS OF 12 OR 24

Assigned learning groups for the duration of the program for accountability, coaching and feedback

OUR APPROACH TO BUILDING HABITS

DELIVERY OPTIONS: VIRTUAL & FACE-TO-FACE

PROGRAM OUTCOME

Self-aware leaders who:

- Are conscious of how they are showing up
- Understand the impact they have on people (positive and negative)
- Desire to grow eXponentially
- Are equipped with new tools and strategies to lead eXceptionally
