

LEAD^x

Grow eXponentially. Lead eXceptionally.

Target Audience: Leaders of People

Building new habits that last a leader's lifetime at work and home

Learning Objectives:

- Take important steps to be your best self (mentally, physically, socially) so you can be a strong leader
- Identify goals and plans to achieve your potential
- Develop emotional intelligence and a growth mindset to support a learning organization
- Understand your leadership style and how to engage others with similar and different styles
- Build your leadership brand and engage employees with trust and authenticity
- Create an inclusive environment where employees thrive
- Build an effective team and bench strength that meets personal and organizational goals
- Facilitate team discussions and engaging others with stories

What makes LeadX Unique?

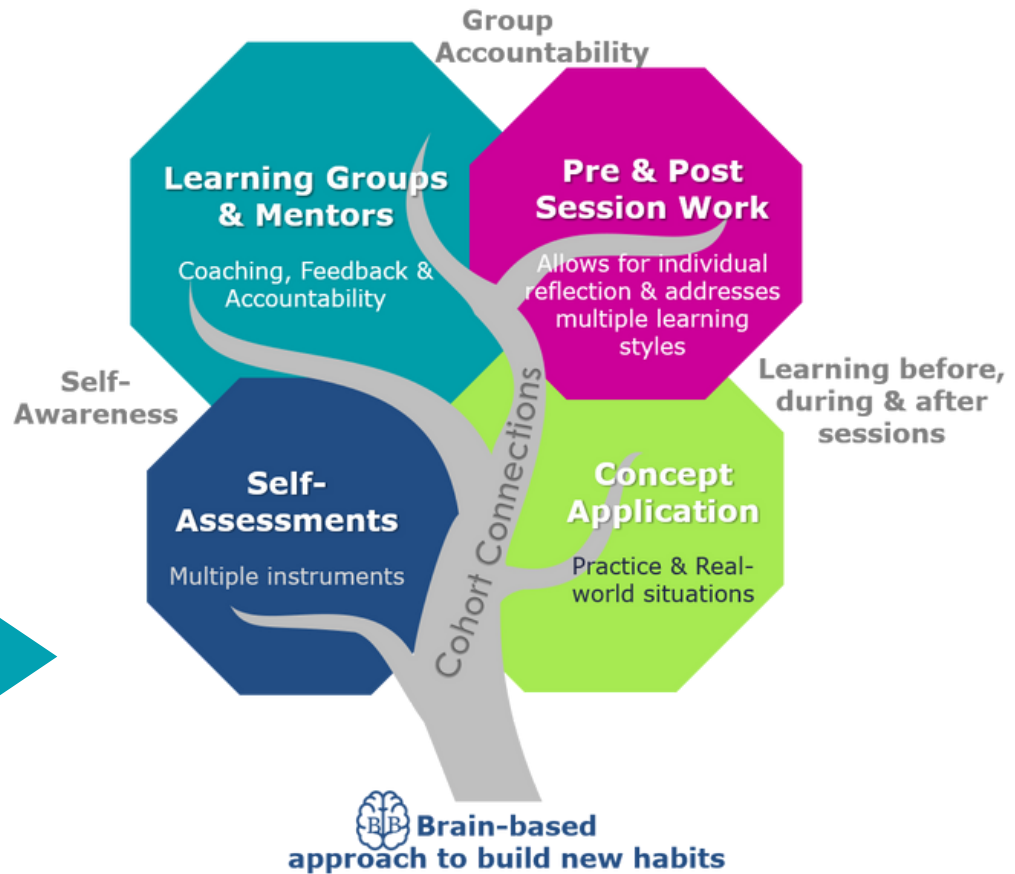

- Design and content is based on Neuroscience findings providing a fresh and science-based approach to developing leaders
- Participants are assigned to Learning Groups to enhance the learning journey, build camaraderie, increase accountability
- Program spans six to twelve months to build habits that stick
- Content is customizable to align with organization culture and key internal models and tools
- Integration of organization leadership team to show sponsorship and commitment
- Blended learning approach with In-person and virtual delivery available

COHORTS OF 12 OR 24

Assigned learning groups for the duration of the program for accountability, coaching and feedback

OUR APPROACH TO BUILDING HABITS

DELIVERY OPTIONS: VIRTUAL & FACE-TO-FACE

PROGRAM OUTCOME

Self-aware leaders who:

- Are conscious of how they are showing up
- Understand the impact they have on people (positive and negative)
- Desire to grow eXponentially
- Are equipped with new tools and strategies to lead eXceptionally
